

SENATOR SCHMIT: Yes. I'd just like to say that I appreciate the support of Senator Morrissey. I want to remind him that Father Bob Roe got his start up in Butler County, in the 23rd District. And whatever prowess he demonstrates at Falls City is the result of excellent training and good Czech background that came out of the 23rd District, Senator Morrissey. So, while you can revel in the accomplishment of the Falls City school, just remember that...and be sure you remind Father Roe that it was his background out of the 23rd District that gave him that ability. Thank you very much.

SPEAKER BAACK: Thank you, Senator Schmit. We'll now proceed to vote on LR 59. All those in favor vote aye, opposed vote no. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of LR 59.

SPEAKER BAACK: LR 59 is adopted. Before we proceed to Final Reading, I would like to announce some guests of the Legislature. First of all from all across the state we have the guests are from the Nebraska Farm Bureau Citizenship Safety Youth Seminar, they are sophomores and juniors. They are in the various balconies here. Would you please stand and be welcomed by your Legislature. Thank you for being with us. We also have nine senior high students from Crete High School who are guests of Senator Coordsen. They are in the south balcony. Would you please stand and be welcomed by your Legislature. Thank you for being with us. We are now going to proceed to Final Reading. I might explain to our visitors, as they are watching us do this, this is a constitutional requirement that every bill has to be read in its entirety before we are allowed to vote on it, and that's why you will hear the Clerk up here reading the bill in its entirety. You will probably not be able to understand the Clerk, as he reads very, very fast. Even if you have a bill in front of you it would be very difficult to follow him, because he does read very fast. So we will now proceed to Final Reading. If the members would please take their seats so we can proceed with Final Reading. Senator Crosby.

SENATOR CROSBY: Just a quick point of personal privilege, Mr. Speaker. The Pages are distributing cookies, and they're for St. Patrick's Day, which was yesterday, for all of you who are Irish and those of you who would like to be, including all the people up there, the Clerk and so on. Thank you very much.
